Thread:collect

Thread:collect picks up your preloved clothes and household items and connects them to local and global circular economies to be reused & re-purposed.

What we do pick up

Acceptable items

Homeware, clothing, bed linen, e-waste, sporting goods, worn/orn clothing, toys, shoes, small household items and baby prams in clean and reusable condition are suitable for reuse.

**All prams will be directly donated to The Big Group Hug to support vulnerable families who are living in crisis*
